

presented by:

Under a new law enacted this year, all companies regardless of size, are required to have all of their employees participate in a sexual harassment training course by October of 2019.

To assist our companies in conforming to the law, LIBI will hold a sexual harassment workshop to allow our member companies to certify their employee's participation. This will provide an opportunity for your company to participate without having to hire a certified provider separately.

Workshop Details

Date: Tuesday, January 29th, 2019

Time: 9:00 AM-10:00 AM (registration at 8:30 AM)

Location: LIBI offices > 1757-8 Veterans Memorial Hwy., Islandia, NY 11749
