

Please see the below message from Ann Hinds:

“During this difficult time for everyone, we understand the need for us to move towards a remote environment where most are not able to physically conduct business normally and unable to send manual payments.

In an effort to make it easier for our members to submit payment without having to possibly put themselves at risk, we will provide you with our banking information to submit payments via wire transfer or ACH.

You may request the information by sending an email to Ann at bookk@libi.org, please be sure to copy Lois at lois@libi.org.

We wish everyone the very best in doing all possible to remain healthy.”

Kindest Regards,

Ann Hinds,

Accounting
